Dear Friend,

The Texas Campaign to Prevent Teen Pregnancy is proud to announce that we will be honoring Rep. Sarah Davis with our Leadership Award on Friday, Nov. 10, 2017, at the Four Seasons Austin.

Having just served her third term in the Texas House of Representatives, Rep. Davis is a true champion for Texas youth. She advocates for policies that empower teen mothers to make personal reproductive choices for themselves and fights against the devastatingly high maternal mortality rate, all while upholding the values of Texas families. Unafraid to cross party lines in order to pass common-sense reforms, Rep. Davis is known as a bold leader among her constituents in Houston, and to thousands of others who call Texas home.

The Texas Campaign's annual Leadership Award recognizes exceptional leaders dedicated to making positive changes in young peoples' lives in their own communities and across our state. Because of Rep. Davis' unwavering commitment to adolescent health and teen pregnancy prevention, we are thrilled to honor her with this award.

Knowing that you are also a supporter of these ideals, we invite you to join with us as we applaud her efforts at our annual Leadership Luncheon. Enclosed is a sponsorship packet that will allow you to contribute at a level that is significant to you. Your generous, tax-deductible sponsorship will help us continue working with leaders like Rep. Davis to improve the health and well-being of Texas youth and their families.

Thank you for your consideration. We look forward to seeing you on November 10 at the Four Seasons in Austin, Texas. For more information, please visit www.txcampaign.org/LeadershipLuncheon.

Sincerely,

Kelly McBeth

2017 Leadership Luncheon Sponsorship Opportunities

Established in 2009, the Texas Campaign to Prevent Teen Pregnancy is a non-profit, non-partisan education and advocacy organization focused on reframing teen pregnancy as an adult issue and creating constructive dialogue around teen pregnancy, adolescent sexual health and effective prevention strategies. With the 5th highest teen birth rate in the nation and the highest rate of repeat teen births, the Texas Campaign is leading the charge to build a unified and structured strategy for achieving impactful long-term change in reducing teen pregnancy.
