Why Is This Important?

ARKANSAS IS 50th IN THE UNITED STATES FOR TEEN BIRTHS

3,782 Teen Births In Arkansas

$129 Million Spent On Teen Childbearing

This is an Emergency Situation

for Arkansas Young Adults and Teens
Importance

- 43% of 18-24 year olds are enrolled in school
- Engage in high risk behaviors that increase chances of an unplanned pregnancy
- Community college students may be at a greater risk
- Four-year colleges are more likely able to promote and offer health services
- College Health Centers (HCs) play a pivotal role
If you finish high school, get a job, and get married before having children, you have a 98% chance of not being in poverty.

Think being a teen parent won’t cost you?
Act 943 was approved in July 2015
An Action Plan was approved in November 2015
The Action Plan was introduced to incoming freshmen of the Fall 2016 semester
Since then, a grant was awarded to ADHE to provide funding for this mandate
