Meeting Parents Where They Are

August 6, 2019 10:00 AM
Webinar Instructions

• All participants are ‘muted’.
• Use Q&A function at bottom of screen to ask questions.
• We will respond to audience questions at the end of the webinar.
• We will email the slide deck to all participants.
• Please participate in a brief evaluation after the webinar. This is required for those seeking Social Work, Licensed Professional Counselor, or Continuing Professional Education CE credit.
Our Mission

The Texas Campaign to Prevent Teen Pregnancy, a statewide non-partisan organization, works to reduce teen pregnancy through research, advocacy, collaboration and training.
Meeting Parents Where They Are

Veronica Whitehead, M.Ed., CHES- Director of Programs

Jessica Chester, CLC, CHW- Communications Coordinator
WISH Family Planning Outreach- Parkland Hospital System
Acknowledgement of Support and Disclaimer

Funding for this presentation was made possible by 6 TP1AH000094-01-01 from the Office of Adolescent Health. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
Learning Objectives

By the end of the webinar, participants will be able to:

• List four key recommendations for working with and engaging parents,
• Identify 2 resources for parents
Collective Space Acknowledgement

We all bring our experiences and expertise into this space.

Creating community allows for safe sharing of information and knowledge.

All are welcome, all are experts in their own way.
North Texas Alliance to Reduce Unintended Pregnancy in Teens

• Located in Dallas, TX

• OAH/ OPA Tier 1B grantee

• Vision: Ntarupt’s vision is that every young person in our community has the opportunity to set goals, plan an education and a career, and become self-sufficient before becoming a parent.
North Texas Alliance to Reduce Unintended Pregnancy in Teens

• Services:
  • Youth EBPs (*Get Real, BPBR & MPC*),
  • Parent EBP (*FTT* + follow up), available in English and Spanish
  • Linkages to healthcare
  • Awareness
Four Key Take Aways

1. Go where parents are (Location)
2. Meet parents where they are
3. Be respectfully persistent
4. Diversity
1. Go Where Parents Are - Ntarupt
1. Go Where Parents Are- Parent
Check in # 1

• Where are some places you have found success in recruiting parents? Where has it been more challenging?
2. Meet Them Where They Are- Ntarupt
2. Meet Them Where They Are- Parent
Check in #2

• Beyond snacks/ meals, childcare and transportation, how are you meeting the needs of your parents?
3. Be Respectfully Persistent- Ntarupt
3. Be Respectfully Persistent - Parent
Check in #3

What difficulties have you experienced in recruiting and engaging parents to participate in your programming?
4. Diversity
